

# A park for Peschiera Borromeo and its farmhouses

Ornella Legnani

**AREA** ancient landed property Borromeo of Peschiera (Milan).

**OBJECTIVE** rehabilitation, requalification and enhancement of a landscape characterized by a large number of castles and farmhouses also through awareness-raising actions on the population

**PROJECT** enhancing the ecological network, vegetation (by designing tree rooms and backgrounds offering scenic routes and viewpoints), landscape chromatic aspects, architectural pre-existing elements (farmhouses to be rehabilitated and re-used), road and water network (irrigation ditches, canals, resurgences).
